

Would you like to learn about the night sky, the use of telescopes, star wheels, and binoculars, and why the seasons occur? Join us at the lobby of the Fall Creek Falls Inn on the following weekends to learn about all these things and observe distant galaxies, planets, exploding stars, and beautiful star fields through several large telescopes.

Friday, June 19th and Saturday, June 20th

Friday, July 17th and Saturday, July 18th

Friday, August 14th and Saturday, August 15th

**Thanks to the members of the
“Astronomy in the Parks Society”
for providing this program**
